

VortexEngine/src/Patterns
/Multi/HueShiftPattern.h

```
graph BT; A[VortexEngine/src/Patterns/Multi/HueShiftPattern.h] <-- B[VortexEngine/src/Patterns/Multi/HueShiftPattern.cpp]; A <-- C[VortexEngine/src/Patterns/PatternBuilder.cpp];
```

The diagram illustrates the relationship between three source files in the VortexEngine. At the top is a header file, 'VortexEngine/src/Patterns/Multi/HueShiftPattern.h', which is shaded gray. Below it are two source files: 'VortexEngine/src/Patterns/Multi/HueShiftPattern.cpp' on the left and 'VortexEngine/src/Patterns/PatternBuilder.cpp' on the right. Blue arrows point from each source file up to the header file, indicating that both source files include this header.
