The diagram illustrates the relationship between three files in the VortexEngine source code. At the top is a header file, 'VortexEngine/src/Menus/MenuList/ModeSharing.h', which is highlighted with a gray background. Below it are two source files: 'VortexEngine/src/Menus/MenuList/ModeSharing.cpp' on the left and 'VortexEngine/src/Menus/MenuList/ModeSharing.h' on the right. Blue arrows point from each of these two source files up to the header file, indicating that both source files include or depend on the header file.
