The diagram illustrates a header file inclusion relationship. At the top, a grey-shaded box represents the header file: VortexEngine/src/Menus/MenuList/GlobalBrightness.h. Below it, two white boxes represent source files. The left box is VortexEngine/src/Menus/MenuList/GlobalBrightness.cpp, and the right box is VortexEngine/src/Menus/MenuList/MenuList.cpp. Two blue arrows point from the bottom of each source file box up to the header file box, indicating that both source files include the header file.
